

Funding List 2018

Good Homes and Neighbourhoods

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Brent Private Tenants Rights Group	http://www.advice4renters.org.uk	BPTRG (Advice for Renters) is the only legal service in London targeted at private renters. Its Housing Advice Centre's evidence base is used to campaign with tenants to highlight their problems and call for the changes needed. It offers a mentoring service to clients to build resilience and we support smaller advice groups.	The funding is towards work to encourage early intervention; pursue compensation for disrepair; test new areas of law not covered by legal aid, including Rent Repayment Orders; challenging redress scheme non-compliance, and measures just announced on agents' fees and landlord redress. It will also address fuel poverty using the new law outlawing energy inefficient lettings.	£160,000	36	Brent
Cambridge House Law Centre	http://ch1889.org	Cambridge House is a social action centre tackling poverty and social exclusion across London. We provide specialist services that enable people to transition out of crisis and progress towards stability and independence. As a community anchor we provide a home for voluntary organisations and a local hub for community action	The funding is for an intelligence-led special project to improve policy and practice in the 'slum rental' housing market. Building on its Safer Renting programme, the project will target cases where tenants' options are limited and a strategic approach is required. This work will improve understanding through primary research and contribute to best practice.	£106,000	24	Croydon, Enfield, Hounslow, Waltham Forest
Centre for London	https://www.centreforlondon.org	Neighbourhood Planners London (hosted by Centre for London) is a volunteer network which exists to promote neighbourhood planning and support neighbourhood planners in London to make use of the powers under the Localism Act 2011 to establish neighbourhood areas and neighbourhood forums for the purposes of neighbourhood planning.	The funding it towards work to understand and strengthen the role of neighbourhood planning in areas of London experiencing poverty and deprivation by undertaking the first London-wide research and by building innovative peer to peer connections with existing neighbourhood planners. It will also develop the role of Neighbourhood Planners London to support this ambition.	£23,000	18	London-wide
ClientEarth	https://www.clientearth.org	ClientEarth is a leading group of lawyers, and policy and communications experts working to shape and enforce the law to tackle environmental challenges. It was established in 2007 while no other organisation was using the powerful lever of law in a strategic and systematic way to drive change at scale.	The funding is to continue its advocacy campaign to put political pressure on key policy-makers to act and clean up the air in London - the city that has the worst air quality in the UK, and for some parts, in Europe - through more ambitious and robust policies, driving change across the UK.	£255,000	36	London-wide, National
Create Streets Foundation	http://www.createstreetsfoundation.org.uk	Create Streets Foundation promotes community capacity building via neighbourhood planning, urban design training and activity in socially and economically disadvantaged communities. It commissions or conducts research into the urban environment; particularly associations between urban form and mental health, physical health, community cohesion and pro-social behaviour. It also promotes study and research in these areas.	The funding is for Place Champions, a community capacity-building mini-course which trains local residents to better understand regeneration, urban design and ways in which communities can influence these processes to their own advantage, and to the wider advantage of London which needs to build more affordable homes.	£74,000	24	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Crisis	http://www.crisis.org.uk	Crisis is the national charity for homeless people. Our vision is to end homelessness by ensuring homeless people can access the education, employment, personalised support and housing opportunities they need to leave homelessness behind for good. We work directly with thousands of homeless and vulnerably housed people across the UK.	The funding is for a feasibility study looking at the potential for a pan London approach to procuring private rented accommodation to use to prevent or relieve homelessness.	£25,000	12	London-wide
Custom House and Canning Town Community Renewal Project	http://www.peach-e16.org.uk	Custom House and Canning Town Community Renewal Project purpose is to empower our community in Custom House and Canning Town and make positive changes to our area. Firstly, we exist to support each other and secondly, we exist to build our strength and power as a community, so we can influence decisions which affect us.	The funding is for empowering a strong group of temporary tenants in Newham to win secure, affordable and high quality housing for those in temporary accomodation. Do this by building on our current work with tenants of TANDO/Mears in Custom House and expanding to temporary tenants across Newham.	£89,000	36	Newham
Eastside Community Heritage	http://www.hidden-histories.org.uk	Eastside Community Heritage is an oral history centre and public archive dedicated to recording and preserving powerful stories. It aims to promote the creative arts and digital storytelling and to engage communities in heritage activities. Eastside Community Heritage is also an accredited training centre offering a QCF in Cultural Heritage at Levels 1, 2 and 3.	The funding is for the development, piloting and implementation of oral history activism training for those seeking a voice in the regeneration debate. Eastside will support beneficiaries to use stories past and present to influence the future and promote community organising through shared heritage activities.	£60,000	18	Barking and Dagenham, London-wide
Generation Rent	http://www.generationrent.org	Generation Rent works towards making private renting safe, secure and fair by giving renters a voice in public debates, campaigning for reform, and supporting renters to organise locally. It believes housing is central to social justice and works with organisations who are seeking fundamental change in the housing market.	The funding is to employ two staff members to campaign on issues affecting private renters. In particular: to give private renters the same level of security that homeowners have; ensure all homes are fit for human habitation; and make renters a powerful force in politics and markets.	£150,000	36	London-wide, National
Justice 4 Grenfell	https://justice4grenfell.org	J4G is a community led campaign established as a response to the Grenfell Tower fire disaster in June 2017. It aims to keep the disaster in the public consciousness and acts as a vehicle to raise community voices to demand changes in legislation, policy, and practice on all Grenfell related issues.	The funding is for 1.5 FTE posts. We expect the campaign to run beyond 2020 and securing salaries for the foreseeable future is intrinsic with the campaign continuing. The posts will give the campaign stability and financial security; two dedicated workers can focus fully on the campaign's work.	£100,000	24	Kensington and Chelsea, London-wide, National

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Latin American Womens Aid Refuge	http://lawadv.org.uk/blog/	LAWA (lead organisation) is a specialist women's charity that for 30 years has been empowering Latin American and other Spanish and Portuguese speaking (LASP) Black and Minority Ethnic (BME) women and children who are experiencing gender violence as well as providing the only Refuge for this Community in the UK.	The funding is to develop strong arguments and compelling narratives that clearly evidence both problems and solution pathways for policy makers to tackle the intersecting pressures of poverty, homelessness and gender violence in London, within a human rights based approach.	£75,000	24	London-wide
Law for Life: the Foundation for Public Legal Education	http://www.lawforlife.org.uk	Law for Life works to ensure that everyone has the knowledge, confidence and practical skills they need to secure access to justice. We do this through community-based education and training, research and policy, and through the Advicenow website which provides easy-to-use information on rights and the law for the public.	The funding is for a Public Legal Education and Information Programme for renters in private housing in partnership with community organisations in London. The programme integrates on and offline help to support private renters understand housing law and identify routes to influence policy and achieve change.	£63,000	24	London-wide
Lewisham Citizens Advice Bureaux Services	https://citizensadvicelewisham.org.uk	Citizens Advice Lewisham (CAL) is an independent charity serving the needs of people who live or work within the Borough of Lewisham. Its vision is: Everyone to be able to access help to deal with the issues they face; and decision-makers respond to people affected by their policies and practice.	The funding is towards the costs of a housing casework team to increase access to housing legal advice for disadvantaged residents. Working in partnership with Southwark Law Centre, this is the first step in a longer term plan to establish a local Law Centre.	£80,000	24	Lewisham
London Gypsies and Travellers	http://www.londongypsiesandtravellers.org.uk	London Gypsies and Travellers support London's Gypsies and Travellers to influence decisions affecting their lives, to improve their quality of life and the opportunities available to them, and to challenge the discrimination they routinely experience. Our work programmes cover the 4 areas of: Equality and inclusion, work and skills, homes and young people	The funding is for our advocacy and policy work to increase the capacity of Gypsies and Travellers to be involved in: shaping housing and planning policies the delivery of culturally suitable accommodation (e.g. caravan sites, stopping places, low cost family homes etc.) campaigning for inclusive neighbourhoods and social infrastructure	£105,000	36	London-wide
London Sustainability Exchange	http://www.lsx.org.uk	LSx is a 'think and do' charity that creates influential collaborations that support the development of better quality of life – especially in the most deprived communities. In turn we cascade the lessons from these collaborations both nationally and globally; inspiring sustainable policy and best practice everywhere.	The funding is for London's Air Quality Action network which empowers representatives of polluted neighbourhoods to raise their voices in shaping policy. In partnership with London Citizens/TELCO, we will reach out and support residents who are most in need of this project - in East London and especially Tower Hamlets.	£45,000	18	London-wide
Merton Voluntary Service Council - CVS	https://www.mvsc.co.uk	Merton Voluntary Service Council provides development and capability building advice and support to local voluntary, community, faith and social enterprise organisations. Our services include training, volunteer support, brokerage and management, supporting organisations and communities' campaigning, strategic representation, advocacy and influence of public sector decision makers and services.	The funding is to engage a part-time worker to build the capacity, knowledge and practice of local BAME organisations and to strengthen their ability to influence and campaign for good quality and affordable housing.	£54,000	24	Merton

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
S.P.I.D. Theatre Company	http://www.spidtheatre.com	Social Political innovative Direct who champions high quality community work on council estates. We campaign to give residents a stronger voice. We connect them with their shared concerns and history. We raise the profile of social housing and help establish residents' associations.	The funding is for SPID's Estate Voices. Through free weekly campaigning and networking sessions with our outreach officer and our marketing officer, we will connect estate communities and help them strategise making their voices heard. Participants will develop their communication skills to champion residents' rights to affordable, secure housing.	£60,000	36	Kensington and Chelsea
Stonewall Housing Association	https://stonewallhousing.org	Stonewall Housing provides housing advice and support for lesbian, gay, bisexual and transgender (LGBT+) people. We advocate for vulnerable people, helping them to build resilience and the skills to live rich and rewarding lives. We campaign for them and influence the policies and practice that impact on LGBT+ rights.	The funding is for its senior management team to connect and work with local authorities, and housing providers to establish a new pathway approach for LGBT+ housing across London. They will gather evidence, research and the voices of service-users and tenants to influence commissioning practice, policy, service improvement and provision, London-wide.	£107,700	36	London-wide
Tonic Living CIC	http://www.tonichousing.org.uk	Tonic Living was established to enable the older LGBT+ community to have choice in housing and care services that are more supportive, safe, and culturally appropriate. Tonic is creating the UK's first LGBT+ retirement community that will be mixed tenure and co-produced with the community as an exemplar housing project.	The funding is for core services to develop a mixed tenure LGBT retirement community. This phase will confirm a deliverable and sustainable business plan, secure a site for the development and gain planning consent. Tonic Living CIC will have a full finance strategy in place and active community engagement in the process.	£35,000	24	London-wide
Town And Country Planning Association	https://www.tcpa.org.uk	The TCPA prides itself on leading-edge, radical thinking and problem-solving. The Association is the oldest charity in the UK concerned with housing and town planning and campaigns for the reform of the UK planning system to make it more responsive to people and needs and aspirations and to promote sustainable development.	The funding is for research to gauge the effectiveness of planning in delivering inclusive communities in London, and training and engagement for communities and the public sector (councillors, council officers and GLA officials) to demonstrate the power and potential of planning in London to create inclusive communities.	£80,000	18	London-wide
Toynbee Hall	http://www.toynbeehall.org.uk	Toynbee Hall is an innovative social welfare charity that has been working on the frontline in the struggle against poverty since 1884. We give some of the UK's most deprived communities a voice, providing access to free advice and support and working together to tackle social injustice.	The funding is for a project aimed at improving the quality of rented housing through a community-lead programme, addressing concerns around perceptions of unsafe neighbourhood environments preventing engagement and participation. We will empower social and private tenants as peer organisers to campaign for change, trial community-based solutions, share the results and create replicable models	£100,000	30	Tower Hamlets
Voluntary Action Camden	http://www.vac.org.uk	VAC works with local residents, community and voluntary organisation and other key stakeholders to develop and support a vibrant civil society that underpins a high quality of life in Camden and the surrounding areas. To achieve this VAC's work embeds three main themes into its work; developing, connecting and influencing.	The funding is for a Development Manager salary, running costs, and fieldwork which will build relationships between civil society and council for neighbourhood stability, support civil society to promote environmental justice, deliver new amenities (legal protections and a community company), support residents to challenge negative perceptions and tackle threats to social housing (through housing conservation and a residents' charter).	£78,000	24	Camden

<i>Organisation</i>	<i>Website</i>	<i>Description of Organisation</i>	<i>Description of Project</i>	<i>£</i>	<i>Months</i>	<i>Borough</i>
Youth Legal and Resource Centre	http://www.youthlegal.org.uk	Youth Legal and Resource Centre help vulnerable, marginalised young people and families with children by providing free specialist legal advice in homelessness and community care law focusing on those with disabilities, care leavers and carers in a youth friendly environment using a holistic approach, improving their life chances and preventing crises.	The funding is for the salary and overheads of a housing solicitor/caseworker of supervisor standard to provide specialist housing advice in possession proceedings, disrepair, homelessness and illegal evictions having been granted a Legal Aid contract in Housing Law. Funding requirements decrease as income from the contract grows over 3 years.	£60,000	36	London-wide
TOTAL				£1,984,700		

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Better Work						
Evelyn 190 Centre	http://www.evelyn190centre.org.uk	Evelyn 190 Centre are set up to provide specialist advice, advocacy and representation in; Housing, Employment, Debt and Welfare Benefits. We are the only advice agency in Lewisham providing specialist Employment Advice and main provider of specialist Housing Advice. We assist to Tribunal and Court representation level.	The funding would be used for 1 full time specialist employment.advice worker. They will advise clients face to face, negotiate with third parties, assist clients to prepare for Tribunal.and Court.and represent when it is appropriate. They would raise awareness of employment rights to other agencies, employers, etc.	£80,000	24	Lewisham
Family and Childcare Trust	https://www.familyandchildcaretrust.org	The Family and Childcare Trust works to make the UK a better place for families. Bringing together learning from our on the ground, parent-led programmes and our research, we make change happen by campaigning for solutions that parents want and need; influencing systems to ensure change is sustained long term.	The funding it to conduct original research to understand the gaps in childcare provision for school age children and work with local authorities, schools, childcare providers and families to identify solutions. It will use this evidence to call for local, regional and national policy change.	£36,500	18	London-wide
Hackney Community Law Centre	http://www.hclc.org.uk	HCLC provides legal advice and assistance to people in the London Borough of Hackney, and the surrounding area, particularly those people experiencing hardship in their daily life through lack of sufficient income to support themselves and/or their families. The HCLC assists people by providing advice and casework.	The funding is to provide specialist employment advice, casework and representation to people living and working in Hackney and surrounding areas in all aspects of employment and in discrimination law and to help improve employees understanding of their employment rights and entitlements in the workplace.	£115,000	36	Hackney
Hillingdon Law Centre	http://www.hillingdonlawcentre.co.uk	HLC works to defend the legal rights of people in West London, in particular the vulnerable, destitute and hard to reach communities. It provides quality legal services to help people save their homes and keep their jobs. It empowers its clients to develop skills with which to address legal issues.	The funding is for specialist employment legal advice, casework, assistance with Acas negotiations and representation at the Employment Tribunal in cases of discrimination, unfair dismissal, whistleblowing and unlawful deduction of wages, to help secure justice and wages/compensation for clients.	£138,000	36	London-wide
Institute for the Future of Work	http://www.ifow.org	The Institute for the Future of Work (IFOW) is dedicated to making work better and fairer. The IFOW believes that helping individuals, business, unions and government work together across different domains to advance this mission is the best way to make sure that technological innovation and social justice advance together.	The funding will allow IFOW to deploy the civic enterprise method of research and policy development in two major sectors in which significant disruption is anticipated in London: transport and retail. The IFOW will use the method to identify and co-create solutions to key challenges faced by workers in those sectors.	£50,000	12	London-wide, National
Learning and Work Institute	http://www.learningandwork.org.uk/	Learning and Work Institute was formed in January 2016, following the merger of the Centre for Economic and Social Inclusion and NIACE. We research what works, develop new ways of thinking and help to implement new approaches to tackling poverty by increasing and improving employment, adult skills and service delivery.	The funding it to establish a 'Better Work network' drawing together those involved in initiatives to tackle low pay and the quality of work in London. Resources, including learning from the network, briefing papers and toolkits, will be hosted on a website to support commissioners, providers and influencers working on this agenda.	£80,000	24	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
New Economics Foundation	http://www.neweconomics.org	NEF is the UK's people-powered think-tank with a mission to transform the economy so that it works for people and the planet. It specialises in high quality, independent research and policy development based on a decades-long tradition of working with diverse communities to deliver tangible change on the ground.	The funding is to demonstrate a new approach to worker organising in London, by partnering with trade unions and other allies to coordinate strategic campaigns targeting specific employers in sectors of low pay and insecure conditions, with an aim to win better work conditions for precarious workers.	£84,000	24	London-wide
Nucleus Community Action	http://www.nucleus.org.uk	Nucleus Community Action is a community advice centre providing social welfare advice, information, training, and representation to disadvantaged people in the London boroughs of Westminster, Ealing, Hammersmith & Fulham and Kensington & Chelsea. Services are provided by solicitors and other specialist staff alongside trained volunteers who are usually trainee solicitors.	The funding is for the costs to help expand our Employment Advice and Representation at Tribunal Help Project (EARTH project) provision to meet demand. Solicitors and trainee solicitor volunteers will provide employment advice, negotiations and settlements, and litigation for disadvantaged people working in Hammersmith & Fulham, Ealing, Westminster and Kensington & Chelsea	£150,000	36	Ealing, Hammersmith & Fulham, Kensington & Chelsea, Westminster
Social Market Foundation	http://www.smf.co.uk/	The Social Market Foundation (SMF) is an independent, non-politically aligned, public policy think tank and registered charity. We undertake research examining economic and social problems and how these can be addressed. We use our research to develop timely, evidence-based recommendations for policymakers.	The funding is for research that will track people educated in London and investigate how disadvantaged London children perform in the labour market. It will examine the factors that affect whether good school results are converted into successful employment outcomes and propose policies to improve social mobility in the capital.	£42,000	12	London-wide
St Giles Trust	https://www.stgilestrust.org.uk/	St Giles Trust is for a Career Coach addressing the issues faced by ex-offenders of low pay / poor quality jobs. SGT works in UK communities and prisons enabling disadvantaged adults, families, young people to overcome adversity. We provide practical support and peer based social action addressing housing, training, employment issues.	The funding is for a specialist Career Coach addressing the issues of low pay and poor quality jobs, as they impact on people with criminal convictions, a group that experiences significant labour market disadvantage. The project will pilot effective support for individuals and employers and share learning with wider stakeholders.	£80,000	24	London-wide
St James's House - Jobs in Mind	https://jobsinmind.org	Jobs in Mind provides specialist employment support and advice for those struggling with work-related issues caused by stress, anxiety or mental health problems. If you are struggling to find work because of your condition or are finding it difficult to cope in your current role and we are here to help.	The funding is to establish a London Job Retention Resource to provide strategic leadership, training and advice on best practice in supporting Londoners who struggle to retain their employment due to poor mental health. The work will support employers and employees prevent the stress and cost of losing jobs.	£100,000	36	London-wide
Thames Reach	http://www.thamesreach.org.uk	Thames Reach aims to end street homelessness. Their mission is to ensure that all Thames Reach service-users are able to find and sustain a decent home, develop supportive relationships and lead a fulfilling life. They achieve this by providing services in outreach, hostels, tenancy-support, information and guidance, basic skills, volunteering and employability.	The funding is to fund a part-time (30 hours a week) Employer & Stakeholder Engagement (ESE) worker. Employed by Thames Reach this worker will be a shared resource, working across the three organisations. From this post, Thames Reach will learn how to increase the scale of in-work progression.	£147,000	36	Croydon, Lambeth, Southwark

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Timewise Foundation CIC	https://timewise.co.uk/foundation/	Timewise works to stimulate a quality part-time and flexible job market. We incentivise and support employers to redesign jobs to be open to flexible and part-time working, and support people who can work 9-5 to access better work to raise their living standards and progress their careers.	The funding is to launch a Timewise innovation unit to support employers to create more quality flexible and part time work, by developing new job design pilots in low-pay sectors, good flexible work standards, and toolkits to show 'what works' and drive scalable systemic change for Londoners trapped in low-paid flexible work.	£150,000	36	London-wide
Unions 21	http://unions21.org.uk	Unions 21 exists to support unions to increase their influence, impact and effectiveness within the world of work. We do this by working with unions, supporters and stakeholders to create an open space for research, innovation and activity to assist unions to secure a better life for working people.	The funding is to bring the Co-Worker platform to the UK. Working directly with CoWorker, it will seek to enable hard to reach workers to run workplace campaigns, join unions and bargain effectively, as well as help unions to build internal digital capacity (especially within the smaller unions).	£54,000	18	London-wide, National
United Voices of the World	https://www.uvwunion.org.uk/	UVW is a grassroots trade union which represents, organises and gives voice and visibility to some of the lowest paid, most oppressed, unrepresented and 'invisible' workers in London today, nearly all of whom are migrant, black and minority ethnic workers predominantly in London's private, outsourced service sector.	The funding is for UVW to employ a Legal Support Worker (LSW) to help our growing membership and the wider community ensure they get the best possible access to justice. The LSW will also help educate and empower our members and the wider community to exercise and protect their rights.	£71,500	24	London-wide
UpRising Leadership	https://uprising.org.uk	UpRising is a UK-wide youth leadership development organisation. Our mission is to open pathways to power for talented young people from diverse backgrounds and ensure communities have leaders that truly represent them. UpRising equips young people with the knowledge, networks, skills and confidence to fulfil their leadership and employment potential.	The funding is for a part-time Relationships Manager (RM) to work with employers to address the needs and barriers faced by low-paid and under-employed 18-25 year-olds by: understanding the barriers to progression young people face, gaining commitment to change employment practices, improving pathways and progression routes	£75,000	24	London-wide
Urban Partnership Group	http://www.upg.org.uk	Urban Partnership Group is a community and regeneration organisation offering education, sports and leisure activities in the Masbro Centre, Brook Green Centre, Edward Woods Centre and in other community settings. Its mission is to build community involvement, economic, social and environmental regeneration in Hammersmith & Fulham and surrounding areas.	The funding is to provide a bespoke careers advice service to work with people on low pay, zero hours and insecure contracts (one third of the cohort being Uber and cab drivers), to move participants into better paid, secure jobs. and focus research on obstacles, challenges and solutions to better employment for drivers.	£96,000	36	Hammersmith & Fulham
Women into Construction	http://www.women-into-construction.org	WIC provides work experience, training, mentoring, and financial support for disadvantaged women to access sustainable employment and develop long term careers in the Construction sector. It supports employers to promote inclusive work environments, to recruit, retain and progress women in their companies and to diversify the industry.	The funding is to deliver advice and guidance, training and mentoring to support 40 low-paid female construction workers move into better paid, more secure employment in the sector. It will identify barriers and challenge employers' working practices to support women to progress in their careers and close the gender pay gap.	£80,000	24	London-wide

<i>Organisation</i>	<i>Website</i>	<i>Description of Organisation</i>	<i>Description of Project</i>	<i>£</i>	<i>Months</i>	<i>Borough</i>
Work Rights Centre	http://www.workrightscentre.org	The Work Rights Centre (WoRC) seeks to combat in-work poverty by empowering workers to exit poorly paid, insecure and unprotected employment. We do so by providing free and accessible one-to-one consultations at our Employment Rights Clinic, creating online tools and information materials, and providing recommendations for policy change.	The funding for the salaries of Service Provision Manager and Service Provision Officer, and volunteer expenses, which will ensure the continuous running of our weekly employment rights clinic in the Wembley Community Library. The funding will ensure that our service remains uninterrupted and freely accessible to all EU and UK nationals.	£30,000	24	Brent
Working Families	http://www.workingfamilies.org.uk	Working Families, the UK's work-life balance charity provides specialist and in-depth legal advice to working parents on their employment rights, push for legislative changes that facilitate family-friendly working, and work with employers to create workplaces which encourage work-life balance for everyone.	The funding is provide specialist legal advice on employment rights and in-work benefits, including casework, to disadvantaged London parents. Delivering more second-tier training to London advisers and outreach sessions to London parents. Building on our established charity partnerships and developing new partnerships, extending our reach particularly to BAME parents.	£90,000	24	London-wide
TOTAL				£1,749,000		

Decent Living Standards

Action Disability Kensington & Chelsea	https://actionondisability.org.uk	ADKC is a DPO which works to enhance opportunities for local disabled people by providing services and an accessible Resource Centre, setting up and supporting new services in response to needs, empowering disabled people to act on their own behalf, raising awareness of disability issues and championing the rights of disabled people.	The funding is for a Disability Specialist Legal Advice Worker specialising in welfare benefits and general advice and casework in discrimination, accessible transport reviews and community care. It will also provide social policy work and research to support ADKC's campaigning role of challenging the barriers that prevent disabled people from fully participating in society.	£111,750	14	Kensington and Chelsea
Centre for Research in Social Policy, Loughborough University	http://www.crsp.ac.uk	Carrying out social research across the UK. The Centre has a strong role in researching issues related to low pay, low income and social welfare. Central to this is the regular researching of the UK Minimum Income Standard and the application of this benchmark to issues of policy and practice.	The funding it to continue to update the Minimum Income Standard (MIS) for London between 2018 and 2020. This entails new research applying the well-established MIS methodology within the London context, in order to identify how much different households in London need in order to have a minimum socially acceptable standard of living.	£147,000	36	London-wide
Disability Advice Service Lambeth	http://www.disabilitylambeth.org.uk	DASL is a Disabled People's Organisation serving people across impairment groups. As a member of the Independent Living and Carers Partnership some of its services are available to older people and carers. Its vision is of an inclusive society where people enjoy equal rights and opportunities, and diversity is valued.	The funding is to secure the future of DASL's Advice Service. It will cover the salary and running costs of the Senior Advice Worker with hours increased to full-time, the recruitment of four additional volunteer benefit advisers, and management costs to ensure service quality through maintenance of the AQS and effective contribution to policy work.	£169,000	37	Lambeth
Enfield Disability Action	http://e-d-a.org.uk	EDA is a DDPO run by and for disabled people. It promotes the social model of disability, independent lifestyles, choice and control. EDA provides accessible services to reduce barriers and promote community inclusion and takes an advocacy approach, providing holistic person-centered services working to eliminate discrimination and reduce poverty.	The funding is for an accessible advice and advocacy service for deaf and disabled people living in Enfield. The service will deliver advice and advocacy on welfare rights, housing, health, social care and human rights issues. Disabled peoples' experiences and learning from the work will be shared with DDPO's funders and service providers.	£180,000	37	Enfield
Food Foundation	http://www.foodfoundation.org.uk	The Food Foundation is a young, dynamic, impactful and independent think-tank influencing policy to support healthy and sustainable diets for everyone and tackle the UK's profound dietary inequalities. Working at the interface between academia, civil society, and policy makers, we use a wide range of approaches to make change happen.	The funding is to work with school-aged, disadvantaged, children and young people living in London's most deprived areas to contribute evidence and recommendations (including through developing their media and campaigning skills) to a National Inquiry into child food insecurity and to secure national policy change as a result of their engagement.	£30,000	24	London-wide
Groundswell UK	http://www.groundswell.org.uk	Groundswell exists to enable homeless people to take more control of their lives and have a greater influence on services. We deliver a range of innovative projects which put homeless people at the heart of solutions to homelessness, focusing on participation, peer research and health.	The funding is for a three year Insight and Action project: Benefits for Health – improving access to welfare and health for people experiencing homelessness. It will place welfare benefits on the radar of health bodies, identify barriers and implement practical changes to improve the lives of people experiencing homelessness.	£120,000	36	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Haringey Law Centre	http://haringeylawcentre.org.uk/	HLC aims to positively influence people's lives by meeting advice, advocacy and representational needs. As the only law centre left in NE London our dedicated solicitors, caseworkers and admin provide high quality legal advice / support to local vulnerable people; most with little / no income and facing emergency crisis.	The funding is to appoint a part-time Senior Solicitor and part-time Policy & Development Worker to provide specialist casework/tribunal advice/support to 160 clients yearly on social welfare, and undertake cross partnership social policy work.	£89,000	24	Haringey
Homeless Link	http://www.homeless.org.uk	Homeless Link is the national membership charity representing organisations working directly with homeless people, and those in the housing, support, health and social care sectors. With over 750 members we believe we can end homelessness, ensure everyone has a place to call home and the support to keep it.	The funding is for the development of a new London-wide homeless sector approach to understanding and challenging the impact of welfare changes on people experiencing homelessness. Expanding Homeless Link's Expert Panel of people with lived experience, and supporting frontline organisations, to create a collective voice to campaign for positive change and practical solutions.	£84,000	24	London-wide
Inclusion Barnet	https://www.inclusionbarnet.org.uk	IB harnesses the strengths and expertise gained from our lived experience for Peer support, services which meet disabled people's needs and help them achieve independence and reach their potential, user voice and empowerment, community development, enabling disabled people to become leaders of social change, thought leadership and developing an evidence base for DPPOs.	The funding is for placing a full-time Peer Welfare and Money Advisor within the Touchpoint team, which is IB's information navigation service, to provide a full-time accessible welfare and money advice, including case work and financial capability work.	£174,660	37	Barnet
Institute for Employment Research, University of Warwick	https://warwick.ac.uk/fac/soc/ier/	IER is a self-financing inter-disciplinary centre, working across policy, practice, methodological innovation and theoretical development. Projects include a stream on 'Work, Welfare and Public Policy'. Expertise covers research, facilitation, evaluation, training, and technical and specialist subject knowledge. IER's ethos sees learning as inherent to all projects through ongoing reflexive practice.	The funding is for Londoners with lived experience of welfare benefits to lead development of a civil society 'White Paper' on social security, setting out practical reforms to help ensure all Londoners have decent living standards, and using a consensus building approach with extensive consultation and influencing activity.	£75,000	18	London-wide
London Irish Centre Charity	https://www.londonirishcentre.org	LIC helps the poorest members of the Irish community using three key values; Care, providing advice for housing, health services and income, supplying advocates and caseworkers and combatting loneliness; Culture, presenting an enriched programme of exhibitions and events; and Community, providing an inclusive local community offering meal clubs and befriending.	The funding is for a legal advocate; offering advice and representation to clients wishing to appeal decisions made about their Employment and Support Allowance and Personal Independence Payments. This post will support vulnerable clients who otherwise may not obtain appropriate representations at tribunals.	£80,000	24	Brent, Camden, Islington, Westminster
London Unemployed Strategies Limited	http://www.londonunemployedstrategies.com	London Unemployed Strategies (LUS) exists to: give unemployed people a voice to challenge current policies that negatively impact on them; challenge negative stereotypes; and help skill unemployed people to bring about real change.	The funding is to set up and develop claimants self-help 'Stand Up For Your Rights' groups in boroughs additional to those already established and coaching those claimants from the SUFYR groups and other volunteers (e.g. from Unite Community, TRAs and other vol orgs) showing enthusiasm and ability in advanced claimants support work.	£130,000	36	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Merton Centre for Independent Living	https://www.mertoncil.org.uk	Merton CIL is run and controlled by Deaf and Disabled People, for Deaf and Disabled people in Merton. It provides a range of interlinked services which support local people to live independent lives, ensure they have a say on key issues such as their money, making informed choices, and speaking up.	The funding is for increased capacity in Welfare Benefits and Community Care casework, in particular, support with the transfer from Disability Living Allowance (DLA) to Personal Independence Payments (PIP), and new PIP applications. It will also provide support with Community Care needs assessments, reassessments and charging issues.	£180,000	37	London-wide
New Policy Institute	http://www.npi.org.uk	New Policy Institute carries out research to inform public policy and debate. We learn from those with direct experience then look for official evidence of social and economic changes before they are widely known. The analysis is often deep and complex, so we translate this into findings for a range of audiences	The funding is for assembling information on the social security system maintained by local authorities in London, such as council tax support, local welfare assistance, and discretionary housing payments for 2018/19. It will analyse these schemes and the reduction in generosity since 2013/14 for a series of policy implications.	£23,373	12	London-wide
Policy in Practice	http://policyinpractice.co.uk	Policy in Practice is a social consultancy business that helps people toward independence by making the welfare system simple to understand. Our software simplifies the welfare system by showing people how policy affects them. Our analytics services help local authorities target better support to their residents in need.	The funding will extend the current Low-income Londoners and Welfare Reform project for a further 18 months to: Analyse, report and present on the drivers and impact of poverty on low income Londoners Include more London boroughs and track the impact of Universal Credit Advance from descriptive to predictive analysis	£120,000	18	London-wide
Richmond Users Independent Living Scheme (RUILS)	http://www.ruils.co.uk	Ruils is a local user-led charity run by, and for, disabled people. It helps disabled children and adults to live independently, to be part of their community and to reach their potential. It does this by providing information, advice, advocacy, care planning support, social activities, peer support and befriending.	The funding is for an information, advice and advocacy service for disabled people in the Richmond Borough. The service will provide casework support and advice for individuals navigating the health and social care systems, specialist support and advocacy with housing issues and welfare benefit appeals.	£142,000	36	Richmond
Stay Safe East	http://staysafe-east.org.uk	Stay Safe East promotes the human rights of deaf and disabled people. It provides holistic advocacy to disabled survivors of hate crime and domestic, sexual and other abuse. We share our expertise with DDPOs and statutory and voluntary sector partners through training, capacity building, guidance and strategic policy advice.	The funding is for Stay Safe East to employ a Benefits and Entitlements Adviser to support deaf and disabled survivors of abuse to access welfare benefits and other entitlements, provide budgeting support where needed, produce guidance on income needs of disabled survivors and to identify issues for disabled survivors in relation to benefits and poverty.	£119,700	36	Newham, Waltham Forest
Sustain: The Alliance for Better Food and Farming	https://www.sustainweb.org	Sustain: the alliance for better food and farming which represents around 100 organisations and advocates food and agriculture policies and practices that enhance the health and welfare of people and animals, improve the working and living environment, enrich society and culture and promote equity.	The funding is to provide a roadmap of policies to reduce food poverty. Our work will be two-fold: working with local authorities and key stakeholders to implement strategic and affordable actions to tackle food poverty in the capital and amplifying the voice of experts-by-experience.	£150,000	30	London-wide

<i>Organisation</i>	<i>Website</i>	<i>Description of Organisation</i>	<i>Description of Project</i>	<i>£</i>	<i>Months</i>	<i>Borough</i>
Zacchaeus 2000 Trust	https://www.z2k.org	Zacchaeus 2000 Trust is an anti-poverty charity that was initially set up to support those affected by the Poll Tax. We have since evolved to support those affected by Social Security reform and to campaign against social security cuts and lack of social and affordable housing for those on benefits.	The funding is to continue to challenge the triple impact of cuts to benefits, above-inflation rent increases and the additional burden of Council Tax charges – through its research and campaigning, which is informed by its casework – to continue to shine a light on issues of poverty and inequality.	£150,000	36	London-wide

Shared Wealth						
Centre for Research in Social Policy, Loughborough University	http://www.crsp.ac.uk	Centre for Research in Social Policy has a strong role researching issues related to low pay, low income and social welfare. Central to this is the regular researching of the UK Minimum Income Standard and the application of this benchmark to issues of policy and practice.	The funding is for researching issues related to low pay, low income and social welfare. Central to this is the regular researching of the UK Minimum Income Standard and the application of this benchmark to issues of policy and practice.	£56,563	6	London-wide
Empty Homes Agency	http://www.emptyhomes.com	Empty Homes aims to raise awareness of the waste of empty homes, research and campaign for action at national, regional (e.g. London-wide) and local levels to ensure that more homes are brought back into use to meet the needs of those priced out of decent housing.	The funding is for research on how other countries/places deter the purchase of dwellings primarily to store wealth, or as an investment, or for occasional use, rather than as a home ("buy-to-leave"). It will investigate and model how these approaches could be adopted in London and recommend preferred option/s and campaign for action (central/local/London government level) to achieve.	£40,000	12	London-wide
Equality Trust	http://www.equalitytrust.org.uk	The Equality Trust (TET) campaigns to reduce social and economic inequality in the United Kingdom as evidence demonstrates that countries with high levels of inequality also have high levels of socially determined ills. High levels of inequality also contribute to unsustainable economic systems.	The funding is for our Campaigns Assistant, Local Groups Manager and Director to further develop and undertake advocacy work with local councils and the mayoral office to reduce inequality in London, in the UK context, and to increase the campaigning capacity of TET London group - My Fair London (MFL).	£50,000	24	London-wide
High Pay Centre	http://www.highpaycentre.org	High Pay Centre are a think tank focused on top pay and economic inequality. It undertakes research aimed at understanding how and why pay growth for top earners has outpaced that experienced by the wider workforce in recent times and make the case for policies that could achieve fairer pay distribution.	The funding is for the High Pay Centre to undertake research, commentary and policy analysis and recommendations in relation to pay, arguing for better checks and balances on executive pay and power, more equal pay distribution and more say for workers in corporate governance structures.	£72,000	24	National
ShareAction (Fairshare Educational Foundation)	https://shareaction.org	ShareAction exists to make investment a greater force for good. Its vision is an investment system that truly serves savers, communities and the environment. It uses a range of tools and tactics including education and organising of pension savers; shareholder activism; policy advocacy; and industry research and rankings.	The funding is for scoping the potential to expand Share Action's Good Work programme in the UK beyond the Living Wage campaign. This will involve research and engagement with companies, investors and civil society organisations to identify how ShareAction's tactics can be deployed most effectively.	£3,104	5	London-wide

Coram Children's Legal Centre	https://www.childrenslegalcentre.com	CCLC is the UK's leading children's legal charity. It is committed to promoting children's rights in the UK and worldwide. It provides free legal information, advice and representation to children, young people, their families, carers and professionals, as well as training and consultancy on child law and children's rights.	The funding is to second a member of staff to the Greater London Authority's social integration team. The secondee will work on the Citizenship and Integration Initiative, specifically on the Young Londoners strand of work.	£32,400	13	London-wide
Ealing Law Centre	www.ealinglawcentre.org.uk	Ealing Law Centre (ELC) was established to provide expert legal services free of charge to people in need; we advise them on housing, welfare rights and immigration problems, and represent them in courts and tribunals. We also work closely with a network of front-line referral agencies.	The funding is for a contribution to the costs of employing an Immigration Supervisor to head up the work of ELC's Immigration Unit, providing free legal advice and representation on immigration, asylum and citizenship matters to people in need in and around the Borough of Ealing	£150,000	36	Ealing, Hounslow
Groundwork London	https://www.groundwork.org.uk	Groundwork London specialises in projects that empower communities to take action to transform their neighbourhoods into greener, cleaner and healthier places to live. It also generates employment and training opportunities for young people and the unemployed, and delivers projects that offer energy and resource efficiency support to residents and small businesses.	The funding is to support the Citizenship Ceremonies Pilot in Hounslow.	£483	6	Hounslow
Hope not hate Educational Limited	https://charity.hopenothate.org.uk	Hope not Hate challenges racism and extremism through research, data, education and working directly in the communities that are most vulnerable. Its underlying mission is to seek to engage with those susceptible to extremist messages, whilst equipping more mainstream civil society to overcome hate and unite communities.	The funding is to second a senior member of staff into the GLA Social Integration Team full time	£24,965	9	Barking and Dagenham
Immigration Law Practitioners' Association	http://www.ilpa.org.uk	ILPA is a membership organisation established by immigration law practitioners to: promote and improve the advising and representation of immigrants, provide information to members and others on domestic and European immigration, asylum and nationality law, secure a non-racist, non-sexist, just and equitable system of immigration, refugee and nationality law practice.	The funding is to part fund the post of Legal and Parliamentary Officer. This role will be focused on migrants' rights and ensuring that the post Brexit immigration system is fairer and clearer for all migrants.	£69,000	36	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Immigration Law Practitioners' Association	http://www.ilpa.org.uk	Immigration Law Practitioners' Association is a membership organisation established by immigration law practitioners to: Promote and improve the advising and representation of immigrants; Provide information to members and others on domestic and European immigration, asylum and nationality law; Secure a non-racist, non-sexist, just and equitable system of immigration, refugee and nationality law practice.	The funding is towards the Strategic Legal Fund for Vulnerable Young Migrants, making grants to support pre-litigation research and third party interventions to uphold and promote the rights of children in the UK with migrant backgrounds.	£16,950	6	London-wide
Islington Law Centre	http://www.themigrantslawproject.org	Islington Law Centre (ILC) supports the community to access justice. ILC works across a wide range of areas of law, working closely with a wide range of community partners. ILC seeks to work with clients to secure long term, sustainable improvements in their situation and to tackle poverty and injustice.	The funding is for strategic legal action and public legal education to effectively protect and promote the rights of asylum seekers, refugees, and migrants.	£90,000	36	London-wide
Just for Kids Law	https://www.justforkidslaw.org	Just for Kids Law delivers support to children and young people from crisis to stability to independence. They do this through innovative, community-based legal representation, advocacy and opportunities programme. They drive change through strategic litigation and policy reform. They aim to be the UK's leading experts in youth justice law.	The funding is to second a member of staff to the Greater London Authority's social integration team. The secondee will work on the Citizenship and Integration Initiative, specifically on the Civic Engagement and Young Londoners strands of work. Also, an additional sum towards the involvement of the current secondee for 6 days in the year, to ensure continuity and knowledge sharing.	£40,400	13	London-wide
Liberty - National Council for Civil Liberties	http://www.liberty-human-rights.org.uk	Liberty has worked tirelessly to defend the rights and freedoms of everyone in the UK. We hold the powerful to account through campaigning in the courts, the media, in Parliament, and in the wider community. We are a membership organisation - cross-party, non-party and entirely independent of Government.	The funding is for a campaign to stop the sharing of confidential information between public services and immigration enforcement, blocking migrants from essential services. This grant will allow us to turn a policy-focused project into the strategic, cross-sector campaign needed to dismantle this practice, before the human cost rises.	£50,000	24	London-wide, National
Medact	https://www.medact.org	Medact mobilises and empowers health professionals to campaign for a safer, fairer world. We work on some of the most pressing national and global threats to health and wellbeing including climate change; migrant rights; conflict and militarism; and rising inequality.	The funding is to support health professionals in London to challenge new requirements for eligibility checks and upfront charging for NHS care. We propose to do this through workplace organising, research, and media interventions. This is part of our broader campaign to achieve reversal of these charges altogether.	£62,000	24	London-wide, National
Medical Justice Network Ltd	http://www.medicaljustice.org.uk/	Medical Justice sends independent, volunteer doctors to visit detainees in immigration removal centres (IRCs) to document their scars of torture and expose medical mistreatment. This evidence is used to help secure their release and also provides the data for research used to advocate against their unfair and inhumane treatment.	The funding is towards research and policy work. This work is key in using its casework medical evidence to expose how unfair, abusive and potentially lethal immigration detention conditions are and to secure policy improvements to help those in need to get released and secure their immigration status.	£110,000	36	London-wide, National

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Migrants' Rights Network	https://migrantsrights.org.uk/	The Migrant's Rights Network (MRN) is a national body supporting the development of a progressive immigration system that is humane, fit for purpose and inclusive. The organisation's current business plan focuses on three key areas: rights, relationships (between agencies and key stakeholders) and regionalisation.	The funding is for the London+ project which promotes the rights of migrants vulnerable to exploitation and discrimination due to insecure immigration status, by: enabling migrant-led advocacy on issues affecting them, strengthening London-wide infrastructure for organising and collaborative campaigns and developing self-help tools to access rights and entitlements.	£95,000	36	London-wide
Migration Museum Project	http://www.migrationmuseum.org	Migration Museum Project produce inspiring exhibitions and run events, education, community and public engagement programmes to shine a light on the many ways that migration to and from Britain across the ages has shaped who we are. They currently working to create a national Migration Museum in London.	The funding is for scoping, designing and delivering a public engagement programme aimed at reaching a wider audience, in particular engaging with the persuadable 'anxious middle', in order to increase understanding of the UK's long migration history and more effectively contribute to improving the accuracy and depth of conversations about migration.	£90,000	24	London-wide, National
New Europeans	https://new europeans.net/	New Europeans is a civil society initiative championing the rights of European citizens, to live, work and study in any member state across the European Union. It seeks to promote inclusion and participation by EU citizens in the UK in their communities through volunteering and other forms of active citizenship.	The funding is to second a member of staff to the Greater London Authority's social integration team. The secondee will work on the Citizenship and Integration Initiative, specifically on the Diversity, social contact and identity strand of work.	£29,600	13	London-wide
New Unity	https://www.unity-project.org.uk/	New Unity assist destitute migrants who have leave to remain but 'no recourse to public funds' (NRPF) to make the application needed to have this NRPF restriction removed. This allows them to access benefits and means-tested support (e.g. free childcare) so that they can adequately support themselves and their families.	The funding is for a supervising immigration advisor (OISC Level 3) over 2 years (7 hour p/w at Legal Aid rate: £50 p/h). We are also requesting the cost of professional quarterly volunteer training, coordination and project evaluation costs and some minor office and travel expenses for 2 years.	£40,000	24	London-wide
Newham Community Renewal Programme	https://www.renewalprogramme.org.uk	The Renewal Programme has been working with the community in Newham to transform and inspire lives for over 45 years. We empower people to change their lives through advocacy, education, temporary accommodation and a range of positive activities. Our services are taken up by over 5,000 people a year.	The funding is for a project supporting destitute vulnerable migrants in Newham. Teams of volunteers and trained specialists will work holistically offering legal advice/representation on immigration cases; destitution support; advice and advocacy on welfare, debt, and housing; plus bridging support after status is achieved, in order to provide a new pathway to settlement.	£78,700	24	Newham
One Westminster	http://www.onewestminster.org.uk	One Westminster serves to help people who live, work or study to find their ideal volunteering opportunity, and to help Westminster volunteering involving organisations find their volunteers they need. Secondly, we provide general support and advice and guidance to the Westminster Voluntary Sector.	The funding is to enable voluntary and community sector organisations in Westminster to participate in a research as part of the Citizenship Ceremony Pilot, a project of the Citizenship and Integration Initiative.	£2,000	6	Westminster

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Passage 2000	http://passage.org.uk	The Passage provides resources which encourage, inspire and challenge homeless people to transform their lives. This is principally carried out through street outreach work, a resource centre assisting homeless people seven days a week, two hostels and Home for Good which supports formerly homeless people mainly through volunteers.	The funding is for their immigration legal advice service for rough sleepers and vulnerably housed persons in its client group. The team consists of a full time employed solicitor supported by a part-time volunteer solicitors.	£90,000	36	Westminster
Refugee Action Kingston	https://www.refugeeactionkingston.org.uk	Refugee Action Kingston (RAK) exists in order to enable people from refugee backgrounds in Kingston and surrounding boroughs to live a fulfilling life and become accepted and active participants in their local communities. In recent years RAK has grown to offer holistic services capable of fulfilling organisation's mission.	The funding is for the Immigration Advice Project (IAP) to provide free, independent, high-quality legal advice and representation to asylum seekers and refugees who would otherwise be left to negotiate the legal system on their own. The project will reach some of the most vulnerable and excluded asylum seekers and vulnerable refugees.	£80,000	24	Kingston
Safe Passage	http://safepassage.org.uk/	Safe Passage opens safe and legal routes for child refugees to reach safety in the UK then helps them establish their life here. Refugee children are among the most vulnerable groups in society; with our support they reach safety, access services, claim asylum and integrate.	The funding is for our highly effective advocacy team, which works from governmental to grassroots level to increase support and access to rights for refugees in the UK. The role we are requesting funding for will harness and build public and political support to promote a welcoming environment for refugees.	£80,000	24	London-wide, National
Tower Hamlets Law Centre	http://www.thlc.co.uk	THLC is a not-for-profit legal practice which provides access to justice for people in and around London's most deprived borough. Its services are mostly free to its clients, people who are often in crisis, vulnerable, marginalised by society and experiencing discrimination. It specialises in immigration, housing and welfare benefits law.	The funding is towards a specialist legal advice and representation service on immigration law for people fleeing domestic violence who do not qualify for legal aid. These people, nearly always women, are in a uniquely vulnerable situation and often have nowhere else to turn.	£134,000	36	London-wide
Women for Refugee Women	http://www.refugeewomen.co.uk	Women for Refugee Women supports women who seek asylum. It works in three main areas: to empower refugee women to tell their stories; to communicate with key audiences to improve understanding of refugee women's experiences; and to work with policy makers in order to build a fairer asylum process.	The funding is to consolidate and expand its work to enable refugee women with experience of detention and destitution to speak out to new audiences, in order to improve public understanding of their experiences and build support for a fairer immigration system.	£90,000	36	London-wide

Stronger Voices						
Equality and Diversity Forum	http://www.edf.org.uk	EDF is the network of organisations making a reality of equality, human rights and social justice in people's lives. We bring people together to share expertise; we help members speak with one voice, informed by a strong evidence base; and we communicate these positions in powerful and progressive ways.	The funding is for strengthening the voices of London's civil society, with a focus on Trust for London grantees, through a strategic communications programme that increases knowledge, skills and confidence to understand, engage and shift public and political attitudes on inequality, poverty and social justice.	£139,000	36	London-wide
Inclusion London	http://www.inclusionlondon.org.uk	Inclusion London's mission is to promote Deaf and Disabled people's equality and inclusion by supporting Deaf and Disabled People's Organisations (DDPOs) in London to have a strong and influential collective voice and to deliver empowering and effective services.	The funding is for involving Deaf and Disabled Londoners in advocating for social change in the areas of social security, independent living and employment and supporting London-based DDPOs to develop and embed social advocacy skills within their organisations and build leadership skills.	£240,000	36	London-wide
Race on the Agenda - ROTA	https://www.rota.org.uk	ROTA aims to create a stronger voice for a more equal society for people who experience race inequality. As a social policy research, and activist organisation, it supports Black, Asian, and Minority Ethnic (BAME) communities to become involved in the development and delivery of employment/education, health, community development and criminal justice programmes.	The funding is to increase BAME involvement in housing, regeneration and employment campaigns and other equalities issues. It will also assist BAME organisation's racial justice campaigns and ensure their clients get high quality public services through using Equalities Act and the Public Sector Equalities Duty and develop and support efforts to reframe messages about race equality and migration.	£90,000	36	London-wide
TOTAL				£469,000		

Connected Communities

Bangladesh Youth Movement	http://www.bym.org.uk	BYM supports people from BAMER and Bangladeshi Communities in Tower Hamlets to redress their exclusions and disadvantage in order that they might receive a solid education, gain employment related skills and equal access to services which enable them to integrate, compete for jobs and live healthy and independent lives.	The funding is to provide general advice on issues including welfare benefits, housing and health issues for BAMER and Bangladeshi communities experiencing severe poverty. The funding will enable access to community centres and supports for individuals and families, which will lead to an improved quality of life. Volunteers will also be engaged as active contributors to the community.	£45,000	36	Tower Hamlets
British Somali Community		British Somali Community are a specialist women's community organisation primarily focused on empowering Somali and other vulnerable refugee women and their families; enabling them to thrive and fully participate in public life. We work to address issues that hold women back related to poverty, patriarchy, culture, stigma, gender violence, and gender discrimination.	The funding is to use the social action model to explore and challenge issues around 'Violence Against Women and Girls' in the community. A programme of 3 interlinked components will create a collective and connected voice, develop solutions and empower a community with the confidence to understand, challenge and deal with current problems.	£41,000	24	Camden
Bromley Experts by Experience CIC	http://www.xbyxbromley.com	Bromley Experts by Experience CIC is a vibrant user led organisation run by and for Deaf/Disabled people and carers living, working and studying in the London Borough of Bromley. We run a Centre for Independent Living that supports local disabled people to get their voices heard and to reach their potential.	The funding is for us to further develop the work we do which has been funded by you, around building the campaigning skills of disabled people and local Deaf and Disabled People's Organisations and strengthening our collective voice at a time of growing inequality	£45,000	36	Bromley
Eritrean Community In The UK	http://www.ericomuk.org.uk	ECUK has for 30 years provided a range of services which currently include advice, advocacy and representation for disadvantaged and vulnerable members of the Eritrean community addressing key issues such as advancing health and education, combating poverty, homelessness and isolation, promoting accessibility and equality and youth / gender specific programmes.	The funding is to provide welfare benefits, housing and general advice for recent arrivals from Eritrea experiencing severe poverty enabling access to available services and support e.g. benefits, accommodation and health, leading to a reasonable quality of life. It will also engage volunteers as active contributors to the community.	£45,000	36	Islington
Ethiopian Women's Empowerment Group	http://www.eweg.org.uk	EWEG is a community-based organisation dedicated to to BAMER women in order for them to live healthy lives, learn skills, build confidence and develop a sense of belonging. As a result of their work, women will improve their independence, tackle poverty and access the mainstream services.	The funding is to cover the cost of providing an advice and information service to Ethiopian women, and women from other ethnicities, who are affected by the Grenfell fire. The service will aim to improve their lives, health and confidence and to offer access to advice and information.	£60,000	36	Hammersmith & Fulham, Kensington and Chelsea, Westminster

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Federation of Iraqi Refugees	http://www.fir-federation.com	Federation Iraqi Refugees (FIR) provides growing and develop advice, support and integration work with the London Iraqi refugee community, including refugees held in detention centres. Through their self-help model, FIR addresses the severe needs facing the community and develops collective responses to integral wider human rights and justice issues.	The funding is for FIR to continue providing support, advice and advocacy to London's Iraqi refugee community, including those with the right to remain, asylum seekers and those held in detention centres. This includes immigration advice, referrals to other agencies and solicitors, advocacy work, accessing welfare benefits and promoting integration.	£60,000	36	London-wide
Hammersmith and Fulham Coalition Against Cuts	http://www.hafcac.org.uk	Hammersmith and Fulham Coalition Against Cuts (HAFCAC) is a campaign group led by Disabled and Older people. We work to ensure that Disabled people in the borough of Hammersmith and Fulham can fully participate in local democracy as equal citizens in order to affect social change.	The funding is for a project worker and core costs to co-ordinate the independent voice of challenge from Disabled residents and develop community co-producers. New members, experiencing inequality themselves, will be equipped with skills to campaign for positive change. Current activists will mentor new campaigners to sustain our campaigning delivery.	£45,000	36	Hammersmith & Fulham
Havelock Family Centre		Havelock Family Centre (HFC) is a drop-in family and community centre serving two large geographically isolated housing estates in Southall. We are the first (often the only) point of contact/help for local people in poverty and distress, and strive to offer them a range of holistic early intervention services.	The funding is to employ a part-time Advice Worker to deliver quality advice and information to BME, low income families, supporting them to access entitlements and additional services, making them aware of their rights and options available to them to alleviate economic hardship, and enhance their quality of life.	£45,000	24	Ealing
Hornbeam Centre	https://www.hornbeam.org.uk	HCA inspires people to think about how we live our lives and use resources. It empowers community-led action and supports new initiatives that lead to positive environmental and social change. It has a successful track record of running local partnered projects focusing on saving money, conserving resources and staying healthy.	The funding is to establish 'low-cost parenting' play sessions in spaces and at times where no current toddler activity exists, and volunteer activities to create low-impact resources for these sessions. Sessions will embed low-cost skills and resources with parents, carers and families, provide volunteering opportunities for adults and bring communities together accessibly.	£39,000	24	Waltham Forest
HostNation	https://www.hostnation.org.uk/	HostNation is an online refugee befriending service. It scales up and accelerates social befriending opportunities in Greater London by using technology to connect and introduce people face-to-face in their local communities. We match referred refugees to local, screened befrienders to facilitate new, inter-cultural friendships, tackle chronic loneliness and promote integration.	The funding is for a small team to continue to deliver community-based social provision amongst marginalised asylum seekers, refugees and migrants in London's outer boroughs. HostNation is applying for help with running costs to maintain and develop our digital platform and for two staff salaries to deliver project outcomes.	£40,000	24	London-wide
Housing Action Southwark and Lambeth	http://www.housingactionsl.org	Housing Action Southwark and Lambeth are a member-led community housing group. We actively support our members to overcome housing problems, including homelessness, unsafe and insecure housing and other poverty problems. We do this by buddying, rights workshops, referrals, and organising wider campaigns. People directly affected by housing problems lead the running of our group.	The funding is for hiring a co-ordinator to support our rapidly growing membership and our work empowering those affected by housing problems to take the lead campaigning. This new role is vital for the group to continue and grow. Our basic costs have also increased due to increased demand.	£30,000	36	Lambeth, Lewisham, Southwark

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Kids Kitchen	https://www.kidskitchen.org.uk	KKA's mission is to inspire adults and children of 5 and under to cook great food together: for health, community and environment. Started by two parents and their kids, as a collective of individuals it has created sessions for their kids, made work for themselves and helped others start sessions.	The funding is to build a SE London hub delivering 120 fun and relaxed cooking sessions, using food to bring people together and reduce isolation. Interested adults can receive training, AQA Unit Award Scheme Certification and capacity building support to set up their own sessions with neighbours, creating a ripple of connection and community.	£20,000	24	Bromley, Croydon, Lewisham
Kongolese Children's Association	http://www.kongochild.com	The KCA key activities are concentrated in: Education (After-school and weekend's classes for children and young people aged 6 to 18, Parents-school's liaison services and workshops and vocational trainings), advice on public services and other issues that affect our members and outing and Leisure activities.	The funding is for continuing advice for the Welfare of our clients. We have also received people from diverse other backgrounds who joined the project. The demand has become higher and higher, so we want to get another 3 years fund to sustain that project.	£45,000	36	Barnet, Enfield, Haringey, Waltham Forest
Latin Elephant	http://www.latinelephant.org	Latin Elephant promotes innovative ways of engaging and incorporating migrant and ethnic groups in processes of urban change. Regionally, it represents marginalised migrant communities through advocacy, platforming their views and influencing urban policy, and on a local level supports BAME traders throughout regeneration processes by increasing inclusion, engagement and participation.	The funding is for increasing BAME traders collective voice and influence, preventing displacement of BAME traders, promoting retention of SMEs and access to affordable retail space, engaging BAME communities and improving understanding in planning and regeneration and to present evidence of the diverse social benefits of BAME traders and economies to public policy makers.	£30,000	24	Southwark
Make a Difference Entertainment	https://www.madetv.org	Set up in 2014 MADE is a registered charity dedicated to developing and delivering creative, enriching and engaging learning experiences predominantly for Black Asian & Minority Ethnic (BAME); LGBT young people in the West London area. We utilise the power of film-making to impact positive social change.	The funding is for 'Films For Change', a community project which through the art of film-making will highlight the importance of equality and diversity. The project will provide media / campaign training and a platform to connect film-makers to those with the power to change policies at an annual film festival.	£40,000	24	Hillingdon
Money A+E UK CIC	https://www.moneyaande.co.uk	Money A+E transform people's lives through Money Advice and Educational services. We support people from the age of 8 up to pensionable age primarily in disadvantaged communities. Our objectives are to increase people's financial knowledge, skills and confidence. We do this through 121 advice, workshops, mentoring programmes campaigns.	The funding is for the salaries of two Money Advisers to continue & expand the Money Coach service, that provides welfare benefits, debt & money guidance advice/casework to disadvantaged communities (that may not access mainstream advice agencies) in Lambeth, Southwark, Lewisham, Newham and Barking & Dagenham.	£60,000	36	London-wide
National Survivor User Network - NSUN	https://www.nsun.org.uk	Ealing Centre for Independent Living is run by disabled people for disabled people; working to eliminate the income gap between disabled people and none-disabled people locally, and to raise disabled people out of poverty by providing support and pathways into work.	The funding is to support BME mental health service users to have a stronger voice about the services they receive.	£3,500	6	London-wide

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
One Place East (was Daffodil Advocacy Project)	http://www.rcmh.org.uk	One Place East is a newly merged organisation bringing together the work of Daffodil Advocacy, Redbridge Concern for Mental Health and CiIL-R and provides information and advice, voice and influence, advocacy, befriending; peer support training and promotes social inclusion, equality, good health and well being.	The funding is to further develop a unique user-led People's Parliament that empowers local people with a learning disability (PWLd) to speak out and campaign for positive change.	£30,900	24	Redbridge
Organiclea	https://www.cfgn.org.uk/	Organiclea is a network of community food growing projects in London which grow healthy and sustainable food. It is a voice for London community food growers, and it connects, cooperates and supports food growers within and beyond our neighbourhoods.	The funding is for carrying out honest, in-depth research on how the food movement interacts with gentrification, power, and privilege through supporting member-projects to evaluate accessibility and representation in community food growing spaces. We will produce a best practice toolkit for others to apply in their own contexts.	£16,500	12	Brent, Enfield, Merton, Sutton
Polish and Eastern European Christian Family Centre	http://www.peec.org.uk	PEEC supports Eastern European migrants to settle in the UK and become valuable members of the community. We focus on the most vulnerable – those who do not speak English, lack qualifications, etc. PEEC advises individuals on health, housing and work and organize activities to overcome cultural barrier.	The funding is for extending advice work to 2 days/week to meet the demands of Eastern European clients, who are not covered by local advice services (those who may be homeless, unemployed, elderly, face a language barrier, or have no access to public funds) to fight their isolation, disconnection and vulnerability	£45,000	36	Haringey, London-wide
Rainham Foodbank	https://rainham.foodbank.org.uk	Rainham Foodbank feeds people in crisis in the boroughs of Havering and B&D. In doing this we are helping to restore the dignity of people, prevent family breakdown, housing loss, crime and isolation. We help our clients to escape poverty through providing employment skills in the context of community building.	The funding is to fund the cost of a sewing tutor, 16 hours per week equals two days per week. Contact time 6 hours, preparation time 10 hours. The aims are to break the patterns of isolation and to raise the confidence of mainly women raising families on their own.	£18,000	24	London-wide
Redbridge Equalities and Community Council	http://www.redbridgeequalities.org	Redbridge Equalities & Community Council promotes equality, human rights and community cohesion. We support people suffering discrimination, hate crime and challenge prejudice. We work to ensure that isolated and vulnerable groups in society know about their rights and entitlements and how to access them.	The funding is for re-establishing General Advice Outreach Surgeries and develop a drop-in service for people from isolated or vulnerable groups who may not know about their rights and entitlements, how to access them, or encountering barriers stopping them from accessing them.	£34,000	24	Redbridge
South London Tamil Welfare Group	http://www.slwq.org.uk	SLTWG is a community organisation set up to ameliorate the quality of life of the needy and underprivileged especially of the Tamil Community, particularly the refugees and asylum seekers, by providing advisory and support services and promoting social, cultural and economic development.	The funding it to provide a quality assured (Face-to-face and Telephone based) social welfare and benefits advice service, targeting ethnic minority communities, especially those of Tamil heritage, living in Greater London. The bilingual service will be provided three days a week and will be free at the point of access.	£30,000	24	Merton

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
The Magpie Project	http://www.themagpieproject.org	The Magpie Project support families with young children living in temporary or insecure accommodation across Newham and adjacent boroughs to access relevant services and advice, and understand their rights on a range of issues including: housing, immigration, employment, mental and physical health, and domestic violence.	The funding is for a contribution towards the salary of our part-time Project Manager (0.8FTE) who is responsible for running the Project, including: co-ordinating and managing relationships with external service providers; day to day management and administration; financial management; overseeing the services, care, and support provided to our families.	£45,000	36	Newham, Redbridge
Voice of Domestic Workers	http://www.thevoiceofdomesticworkers.com	The Voice of Domestic Workers is an education and campaigning group calling for justice and rights for Britain's thousands of migrant domestic workers. We practise community organising to raise awareness of rights; campaign, lobby; educate its members and solve practical problems members face like homelessness, abuse and accessing immigration advice.	The funding is for three years support of salary costs for The Voice of Domestic Workers' one employee - its Community Organiser Marissa Begonia who established the organisation in 2009 and has committed her life to the education and rights of migrant domestic workers in the UK.	£45,000	36	London-wide
Wadajir Somali Community Centre		Wadajir offers a lifeline to vulnerable and excluded Somalis in Tower Hamlets, supporting them to resolve complex life issues, gain qualifications, experience and skills and through health initiatives. We offer advocacy, advice, courses, outreach and drop in. This is a Somali-led project in the heart of the community.	The funding is for an accessible advice and guidance project to support vulnerable Somalis in Tower Hamlets who need support to resolve pressing social welfare issues before they escalate. Also to support Somalis to understand and access mainstream support and to become more empowered in resolving their own issues.	£45,000	36	Tower Hamlets
Waltham Forest Stand Up For Your Rights		WSUFYR is a self-organised group of claimants who supports others by informing them of their rights and entitlements to benefits and encourages mutual support of and by claimants. This includes representation on collective issues with the Department of Work and Pensions and signposting claimants to other agencies.	The funding is towards the costs of an advice and campaigning network for benefit claimants. This will include recruiting more volunteers and provide them with training on benefits and offer longer and/or more frequent drop in sessions for claimants.	£5,600	24	Waltham Forest

Exceptional						
LASA Charity UK Ltd	http://www.lasa.org.uk	Lasa helps thousands of organisations every year to provide better social welfare law advice (welfare rights, debt, employment, housing and community care) to disadvantaged communities through the delivery of online information and advice services. These include www.rightsnet.org.uk ; https://advice.local.uk ; www.revenuebenefits.org.uk ; and a suite of web tools www.lasa.org.uk/webtools .	The funding is to reach new beneficiaries and disadvantaged communities across London, developing advisers' skills, learning and confidence, increasing capacity and effectiveness, improving public understanding and access to social welfare law advice and information, whilst growing our ability to provide free or low-cost information and support.	£60,000	36	London-wide
London Emergencies Trust	http://www.londonemergenciestrust.org.uk	London Emergencies Trust will enable to (a) complete its grant-making and related activity for all five incidents (b) participate in national and London reviews of disaster response (c) hold a reserve to enable quick deployment in case of a future emergency.	The funding is for the operating costs of London Emergencies Trust to allow it to (a) complete its grant making in London's five emergency incidents in 2017 and (b) hold a small reserve to allow for rapid response in case of future emergencies	£25,000	6	London-wide, National
TOTAL				£85,000		

Trustee Distribution Fund

Art Refuge UK		Art Refugee is a weekly London-based art-making group for refugees arriving from mainland Europe to claim asylum in the UK, facing complex challenges that often seriously impact upon their mental health. Led by registered art therapists, the work will include research into location, space, partners, access; project development and delivery of pilot phase.	The funding is for Art Refuge UK, a small, robust charity established in 2006, that works through art and art therapy with people who have been displaced due to political or religious persecution, oppression, armed conflict, trafficking, natural disaster and/or poverty, currently operating in Bristol, London and Calais, northern France.	£7,500	12	London-wide
Ealing Centre for Independent Living	http://www.ecil.org	Ealing Centre for Independent Living is run by disabled people for disabled people; working to eliminate the income gap between disabled people and none-disabled people locally, and to raise disabled people out of poverty by providing support and pathways into work.	The funding is for supporting disabled people by working to eliminate the barriers preventing disabled people and their unpaid carers from living full and independent lives.	£1,850	12	Ealing
Ealing Foodbank	https://ealing.foodbank.org.uk	Ealing Foodbank highlights the reality of food poverty and that this is a huge problem in London, particularly for families with children. Ealing foodbank provides a vital lifeline for those families.	The funding is for providing food to those who cannot afford it in the borough of Ealing.	£1,875	12	Ealing
Gendered Intelligence	http://genderedintelligence.co.uk	Gendered Intelligence is a London-based not-for-profit CIC, and it aims: to support the production of a range of material including short and easy to understand guidance for customer services and front-line staff in organisations dealing with trans customers and clients, literature profiling GI's public events and training and trans youth work. The majority of GI's work is delivered in London.	The funding is for their work with the trans community and those who impact on trans lives. GI delivers trans youth programmes, support for parents and carers, professional development and trans awareness training for all sectors and educational workshops.	£7,500	12	Islington
Hestia Housing and Support	https://www.hestia.org	Hestia is the largest provider of domestic abuse refuge space in London and they also provide specialist support to people who have been trafficked. This grant will support their core work in these areas.	The funding is for the Hestia's work in London which helps women and children impacted by domestic abuse and human trafficking.	£7,500	6	London-wide
Hillingdon Carers	http://www.hillingdoncarers.org.uk	Hillingdon Carers helps to tackle the realities of economic inequality and poverty in situations where people find themselves as carers, often sacrificing potential earnings in the process.	This funding is for Hillingdon Carers, which provides support for adult and child carers across Hillingdon.	£1,875	12	Hillingdon
Hillingdon Women's Centre	https://www.hillingdonwomenscentre.org	Hillingdon Women's Centre's approach is to empower women to improve their own lives, providing emotional support groups and 1-2-1 services to help them reach their potential. Far too many women are driven into poverty by the impacts of violence, and the Women's Centre's work is vital in preventing this.	The funding is for support for women aged 18 and over with any issue; of which the greatest demand is for those relating to domestic violence, sexual abuse, exploitation, housing/homelessness, mental health, poverty, isolation, language and culture. It is the only centre of its kind in the local area.	£1,875	12	Hillingdon

Organisation	Website	Description of Organisation	Description of Project	£	Months	Borough
Just for Kids Law	http://justforkidslaw.org	Just for Kids Law is a youth advocacy service. Youthadvocates are led by the needs and wishes of each individual child and only ever act according to these. Support is unique to each individual case. Often, advocates accompany children and young people to meetings to ensure that their wishes are heard.	The funding is for delivering support to children and young people from crisis to stability to independence. We do this through innovative, community-based legal representation, advocacy and opportunities programmes. We drive change through strategic litigation and policy reform. We aim to be the UK's leading experts in youth justice law.	£7,500	6	London-wide
OnSide Youth Zones	https://www.onsideyouthzones.org	OnSide Youth Zones will fund an additional counsellor to support the young people from this poor neighbourhood, resulting in less youth crime and better social and economic outcomes for these young people.	The funding is towards a contribution to the £1,300,000 of annual running costs raised for Barking & Dagenham OnSide Youth Zone, which provides young people from this area of high deprivation with access to a range of activities and counselling that are often provided in more well developed areas.	£7,500	12	Barking and Dagenham
Remembered		Remembered aims to: inspire communities to purchase silhouettes of their local Fallen wherever they are listed for the Armistice Period, 2018 and/or to purchase Tommy figures, to educate generations about why soldiers made the ultimate sacrifice and to raise funds for those suffering from hidden wounds of war through the sale of commemorative Tommies.	The funding is for the purpose of housing veterans (either homeless or in financial difficulty) in London and to provide the help (including mentoring) that veterans need to get back on track or into employment. Part of the funds used for conducting/supporting research into the need for this housing/service with our partners.	£7,500	12	Kensington and Chelsea
Sisters of Frida	http://www.sisofrida.org	Sisters of Frida CIC is a collective of disabled women based in London that seeks to challenge the barriers and multiple discrimination that Disabled woman face every day.It has recently submitted evidence to the UN CEDAW Disability Committee about the situation of Disabled women in the UK.	The funding is to support the SOF Steering Group to develop a fundraising/capacity-building plan to work more effectively with Disabled women across London, ensuring that Disabled women's voices are the heart of debates about/with women.	£7,500	12	London-wide
Woolwich Service Users Project	https://www.wsupoolwich.org	WSUP is a twice weekly drop in service for homeless and vulnerable adults run by Volunteers. Its service users have many different needs and issues. It offers food, tea,coffee, showers, laundry facilities, clothing bank, free haircuts, support, signposting and a safe place to socialise and make new friends.	The funding is to buy equipment needed to run its services in its new building such as tables and chairs and desks for technology and other sundries and running costs to provide a continuing service to the 150 plus service users it sees each week.	£7,500	12	Greenwich
