

London's Poverty Profile provides evidence on and insight into poverty and inequality in London. It shines a light on these issues to prompt action from local and national government, the third sector, faith groups, practitioners, experts, businesses, the public and indeed anyone who cares about making London a fairer city to live in.

This factsheet draws together insights specifically for Lambeth from the wider set of indicators published in London's Poverty Profile.

For details of the data sources and methods used please see <https://trustforlondon.org.uk/data/boroughs/overview-of-london-boroughs/>

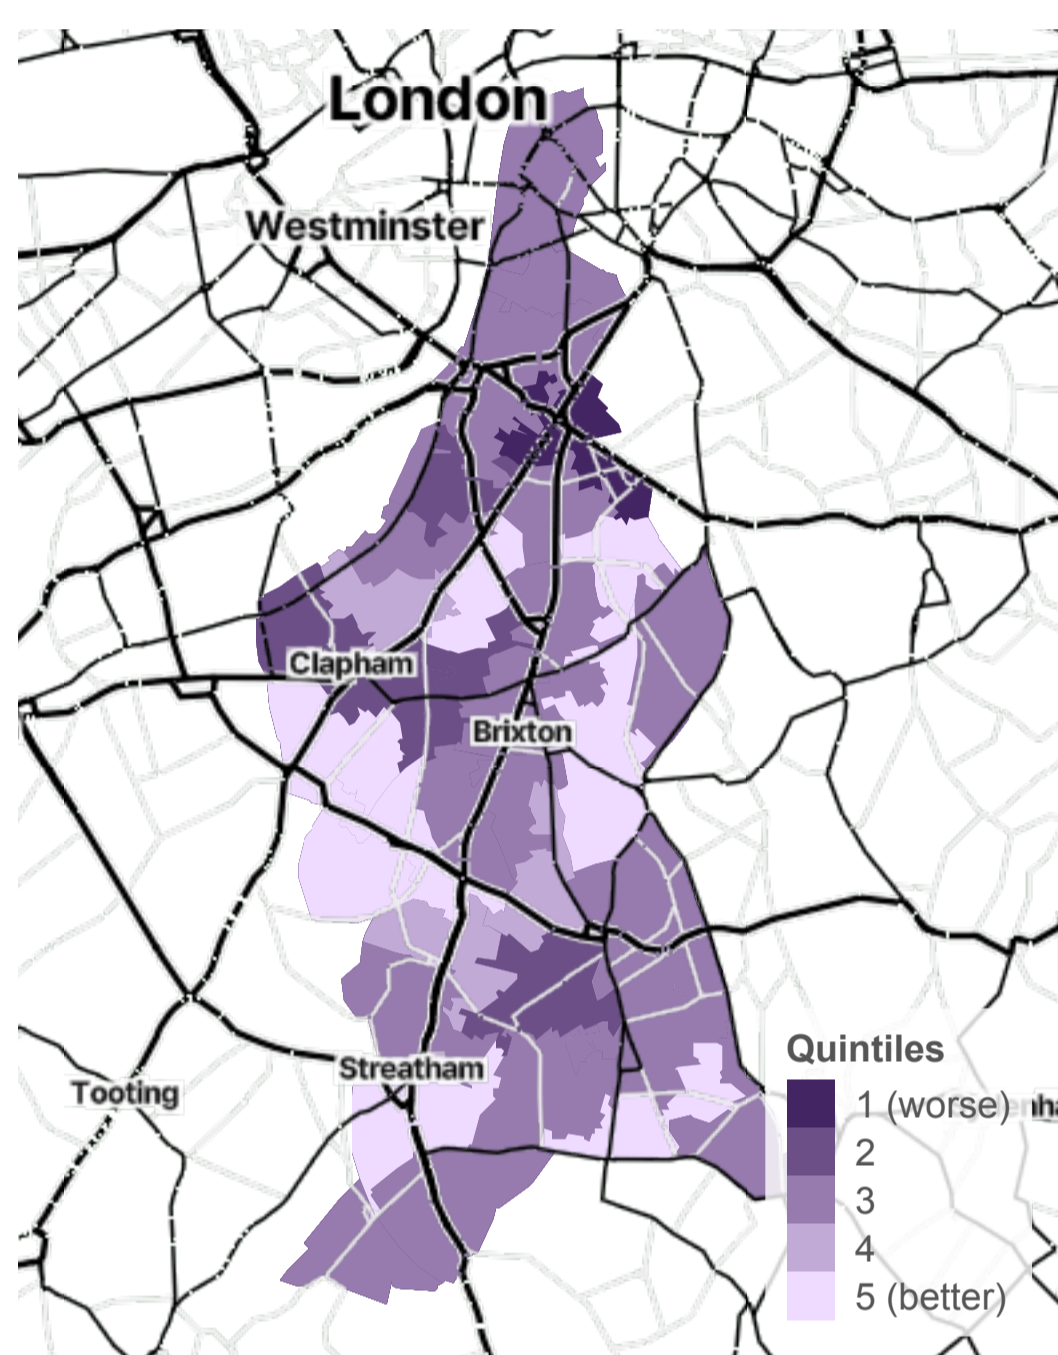

The chart above summarises the boroughs' indicators across each of our themes. The center represents worse performance, outer rings better

Key Points

- In 2021/22, 28% of people in the borough lived in households with an income of less than 60% the UK median after housing costs have been subtracted. This was around the same as the average London Borough.
- 36% of children in the borough lived in households with an income of less than 60% the UK median after housing costs have been subtracted in 2021/22. This was around the same as the average London Borough.
- In Lambeth, 10.6% of residents were estimated to be earning below the Living Wage in 2023. This was better than the average London Borough.
